Student Intern – Accounting Department (IT Audit Section)

Amica Insurance located in Lincoln, RI is seeking an intern for the IT Audit Section of the Accounting Department. This is a paid internship (\$17/hr) and the working hours are 35 hours per week during the summer months.

Job Responsibilities & Qualifications:

Our internship program is designed for individuals who have completed their junior year from an accredited college/university before the start of the summer internship. Candidates should be seeking a degree in Management of Information Systems, Computer Information Systems or Accounting with a minor in Computer Science, with a GPA of 3.0 or higher.

The position involves performing audits of business application systems, computer operations, and technical systems and services. The job duties include identification, assessment, and testing of controls; documentation to support work performed and conclusions; presentation of results to management; and development of audit reports.

Amica has created an internship program that is an excellent way for students to receive hands-on experience. Upon successful completion of an internship, candidates could be considered for full time employment.

Qualified candidates should email a cover letter and resume to: careers@amica.com

No phone calls please. Only those selected for further consideration will be contacted.

Equal Opportunity Policy:

All qualified applicants who are authorized to work in the United States will receive consideration for employment without regard to race, religion, sex, color, national origin, age, disability or sexual orientation. The Age Discrimination in Employment Act prohibits discrimination on the basis of age with respect to individuals who are 40 or more years of age. Employees are subject to the provisions of the Worker's Compensation Act.
