

## IT Developer (Entry-Level)

As one of the nation's leading personal lines carriers, Amica is strong, stable, financially secure, and consistently rated #1 for personal service by our customers. We have over \$4 billion in assets, are rated A++ by A.M. Best, and employ over 3,000 people, countrywide. Amica is proud to have been named one of the "Best Places to Work in Rhode Island" by the Providence Business News.

Amica Mutual Insurance Company located in Lincoln, RI is seeking entry-level IT Developers to work in our CIS department. The position involves providing application development and support for our insurance systems.

Applicants should have a desire to work in a technical field, possess strong written and verbal communication skills, effective organizational skills and the ability to work in a team oriented environment. A programming background with exposure to web-based technologies and database concepts is a plus. Flexibility and the willingness to work with packaged software solutions and mainframe technologies are also beneficial. A Bachelor's degree is required. Training will be provided.

At Amica, we offer a competitive salary and a premium benefit package, which includes medical, dental and life as well as a generous pension and savings plan.

No phone calls, please. Only those selected for further consideration will be contacted.

Qualified candidates should email a cover letter and resume to: [itcareers@amica.com](mailto:itcareers@amica.com)

### Equal Opportunity Policy:

All qualified applicants who are authorized to work in the United States will receive consideration for employment without regard to race, religion, sex, color, national origin, age, disability or sexual orientation. The Age Discrimination in Employment Act prohibits discrimination on the basis of age with respect to individuals who are 40 or more years of age. Employees are subject to the provisions of the Worker's Compensation Act.
